SUCCESSORS TO THE JEWELL NURSERY CO.

ESTABLISHED 1868

LAKE CITY, MINNESOTA

February 20, 1940

NURSERYMEN - FLORISTS
Growers of
DECIDUOUS & CONIFEROUS SPECIES
LINERS AND FINISHED STOCK

To The Trade:

As the reorganization of the Jewell Nursery Company of Lake City has been completed, we are very happy to be able to give you the following information as to the exact status of this company.

The Jewell Nursery Company went into receivership about a year ago. A Special and General Receiver was appointed, who conducted the business for about a year.

On January 1, 1940, a new company, who had previously incorporated under the name of Jewell Nurseries, Incorporated, purchased the assets from the Special and General Receiver. The new firm took over about ninety-eight per cent of the growing nursery stock, all the records, all accounts receivable, in fact, all personal property of any description and is, at the present time, operating a nursery on the same premises, the same land with the same acreage. They are employing the same propagation help and to a great extent, the same office help. It is the intention of the new concern to operate a wholesale nursery business, growing a general line of nursery stock, finished and lining-out, the same as the Jewell Nursery Company did before.

The members of the new firm are the following:

Miss Ann Lindmeier, Lake City
Mr. Kenneth R. Smith, Lake City
Mr. George A. Schmidt, Lake City
Mr. Bj. Loss, Lake City

The response which the new company has received from the trade, and the understanding which they have met has been very gratifying. It shall be our aim to do our utmost in every way to live up to the wonderful reputation which the Jewell Nursery Company has had over a period of seventy years of business since 1868. The tradition of the concern is a splendid one, and it is something to live up to, and we are sincerely hoping that we shall be able to do so. That will be our aim.

Our wholesale men, Mr. Harold Heins, and Mr. Vernie Johnson, will endeavor to call on every one of our customers. If there is any other information relative to the company which you desire, these men have been instructed to tell the whole story.

We wish to thank you for the many courtesies shown us.

Yours very truly,

THE JEWELL NURSERIES, INC.
